Permit NS2001503, TUSCANY GOLF CLUB:

The Permittee, Rhodes & Tuscany Club Management, LLC, has applied for the renewal of Permit NS2001503 for the Tuscany Golf Club in Henderson, Nevada. The facility is an 18-hole golf course located, south of the Las Vegas Wash and east of Henderson, in Section 32 in Township 21 South, Range 63 East, Mt. Diablo Base and Meridian. The applicant reuses tertiary treated, partially denitrified, and disinfected effluent to irrigate the turf grasses and other vegetation at the Tuscany Golf Club. The treated effluent is supplied by the City of Henderson's Kurt R. Segler Water Reclamation Facility (KRSWRF). All reuse irrigation shall be conducted in accordance with the Tuscany Golf Club's approved Effluent Management Plan (EMP) and terms and conditions of the permit.

On the basis of preliminary review of the requirements of the Nevada Revised Statutes, as amended, and implementing regulations, the Administrator proposes to issue Permit NS2001503 to discharge for a five (5) year period, subject to certain effluent limitations.

Persons wishing to comment upon or object to the proposed determinations by the Administrator regarding permit issuance, or request a hearing pursuant to the Nevada Administrative Code, Water Pollution Control, should submit their comments or request, in writing, within thirty (30) days of the date of newspaper publication, hand delivered or postmarked no later than 5:00 P.M. on 03/12/2014, either in person or by mail to:

All comments or objections received within the thirty (30) day period will be considered in the formulation of final determination(s) regarding the application. If written comments indicate a significant degree of public interest in the proposed permit, the Administrator shall hold a public hearing. A public notice of such hearing will be issued not less than thirty (30) days prior to the hearing date.

If no hearing is held and the determinations of the Administrator are substantially changed from the tentative determinations, the Administrator will give public notice of the revised determinations. Additional comments and objections will be considered at that time.
